

**QUICK NEWS: January 2016**

**Come visit us in our new satellite office!**

We are located on the second floor, in suite 210.

We've opened our satellite office! Because of growing staff and programs, the bigger space was needed. We now have plenty of room to accommodate people for meetings and activities!

The satellite location is near the Campus in the Acropolis building at 13409 NW Military Hwy., Suite 210.

We do plan to continue to maintain our presence at the Campus, where our main office is still located.

**FROM ONE OF OUR PARTNERS**

**NORTHEAST SENIOR ASSISTANCE**

NESA, as well as our sister CO-Ops, are in dire need of more volunteer drivers to take clients to doctor appointments and to grocery shop.

As our community ages, the demand for our services increases and we are already

overworking those volunteers on our current roster. Traditional means of securing new volunteers do not always work to our advantage to handle the need.

With United Way funding, 3 of the CO-Ops are using a fabulous advertising agency, Heartfire Media, to begin television and online advertising. Together we are called **DriveASeniorSA**.

If you know someone who has some extra time on their hands who might be able to drive once a week or once a month, tell them about NESA and send them our way. It is truly a fulfilling experience to be able to give back to the community and pay it forward.

**DriveASeniorSA** is a recruitment campaign dedicated to finding volunteer drivers to help senior citizens get around Bexar County for things such as visiting a doctor's office or grocery shopping.

All volunteers can register to drive a senior in their preferred area of town or zip code. Volunteers set their own schedules and we encourage them to help on a regular basis. If you are concerned about gas, don't worry. Mileage is reimbursed for those who turn in a monthly mileage sheet.
